THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2018-248-E - South Carolina Electric & Gas Company Request for Approval of a Contract for Electric Service with Shaw Industries Group, Incorporated (Redacted) and Request for Confidential Treatment – Staff Presents for Commission Consideration the Request for Approval of a Contract for Electric Service between Shaw Industries Group, Incorporated and South Carolina Electric & Gas Company, along with a Request for Confidential Treatment of the Contract.

COMMISSION ACTION:

Move to grant the request for confidential treatment of certain indicated terms of the Contract for Electric Service. Shaw Industries has recently completed a cogeneration Combined Heat & Power Plant at its fiber production facility in Columbia. The electricity and steam produced will meet Shaw's entire steam demand and replaces the majority of electricity currently supplied by South Carolina Electric & Gas Company, with an estimated reduction of 26,000 tons of annual greenhouse gas emissions.

SCE&G represents that, due to the commercial sensitivity and proprietary nature of certain provisions of the Contract as well as the highly competitive nature of the industry in which its customer Shaw Industries operates, Shaw requested, and the Company agreed, to keep certain terms of the Contract confidential. The Company represents that these terms are entitled to protection under the South Carolina Freedom of Information Act. The Office of Regulatory Staff does not object to the Company's filing.
